I think Marilyn should talk with Shawn. This matter is forming a difficult picture. We have an (non-legal) opinion from our Office of Employee Relations that states her leave bank benefits will cease upon transfer to POL. Given [REDACTED] sensitive matter, we feel that we should explore all options to enable her to sustain the benefits. One scenario we are mulling is leaving [REDACTED] under DPH until/if the legislation is changed. Given the short time frame to deal with this – I would recommend communication between the HR people today.

Hello,

Marilyn Tarmey is our HR person and can contact your HR person to review the details of [REDACTED] leave bank unless you have another way you'd like to proceed. The legislation establishing the bank is below. Thanks.

Hello Grace – I was contacted today by [REDACTED] regarding her sick leave bank benefit. Can you provide any background on this and what balance(s) she might have? Thanks....
